Hah...
I DON'T KNOW HOW, BUT I WAS ALREADY LIKE THIS BY THE TIME I REALIZED IT.
I CAN'T BELIEVE IT MYSELF, TO BE HONEST.
WHAT?
I RAN INTO HIM EARLIER AND HE SEEMED NORMAL ENOUGH.
THIS IS KOYANAGI WE'RE TALKING ABOUT, SO SHE'S PROBABLY HAVING A BLAST IMPERSONATING ME...

COME ON, HANA-CHAN
IT'S NOT AS IF WE'RE IN A MANGA-
ANYWAY,

IF YOU FIND ME AGAIN, LET ME KNOW,
GOT IT?
O-
Okay...

So hot...
AH,
NARUMI -CHAN.
OH!
HIRO-TAKA!

HANA-CHAN WAS SAYING...

There's paperwork everywhere
WHAT'RE YOU TWO DOING?
Oh.

THINK ABOUT HOW THEY FEEL!
IT'S YOUR FAULT FOR GETTING MOMOSE AND NIFUJI INVOLVED!
YOU COULD'VE PLAYED ALONG TODAY OF ALL DAYS.
TCH.

KABAKURA TAROU

椛倉太郎

LN Otaku
Gets baited by covers with bishoujos

Only uses social media to get ahold of people. Responds quickly but comes off unfriendly since he only uses plain text. Can never seem to get used to texting. Isn't exactly slow at typing, but is the slowest because the other three are abnormally fast

KOYANAGI HANAKO

小柳花子

Cosplayer
Fairly well-known for her crossplay

Responds quickly as long as she's not busy with something. Doesn't like plain texting, but feels somewhat embarrassed to use emojis, so she tends to not use them. (Is what you'd call a "dere") Has weird typing tendencies due to being self-taught, but is somewhat fast. Seems to have many online acquaintances.

NIFUJI HIROTAKA

二藤宏嵩

Hardcore Gamer
If it's a game, he's good at it.

Tends to communicate with only stamps and emojis. He's good at responding to messages, but it depends on the time. More expressive online than in real life. Texts somewhat quickly, but types much faster

MONOSE NARUMI

茂瀬成海

Closet Fujoshi
Busy with too many hobbies

Reads texts within a minute no matter the time and responds within ten seconds. She types quickly and is just about as fast on her smartphone.
